

The Buffalo Renaissance Foundation Grant Guidelines

History, Purpose and Mission

The Buffalo Renaissance Foundation was created in 1981 by a group of local business leaders who value Buffalo as the ideal place to live, work and raise a family.

Through our active support of educational, cultural and benevolent organizations and activities, the Buffalo Renaissance Foundation has been planting the seed of positive thinking and positive change for decades. We have a strong commitment to not only making a difference through financial giving but we aim to clear one of the biggest hurdles of social change by our physical presence in the community as well.
