INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors of
Buffalo Renaissance Foundation, Inc.
Buffalo, New York

We have reviewed the accompanying statement of financial position of Buffalo Renaissance Foundation, Inc. (the "Foundation") as of December 31, 2014 and 2013, and the related statements of activities and net assets, and of cash flows for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Foundation's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the reviews in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2014 AND 2013

(See Independent Accountants' Review Report)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities – Buffalo Renaissance Foundation, Inc. (the “Foundation”) is a nonprofit corporation dedicated to “Building a Better Buffalo” through active support of public, educational, scientific, charitable and benevolent organizations and activities in the Western New York area. The Foundation fulfills its activities with support and contributions from its members and the general public through donations and fundraising activities. Our mission is to help the community move forward for generations to come by fostering change through our charitable giving and speaker forums.

Method of Accounting – The Foundation’s policy is to prepare its financial statements on the accrual basis of accounting; consequently, certain revenues are recognized when earned rather than when received, and expenses are recognized when the obligation is incurred, rather than when cash is disbursed.

Financial Statement Presentation – In accordance with generally accepted accounting principles the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Foundation had no permanently restricted assets at December 31, 2014 and 2013.

Revenue and Support Recognition – Contributions are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional.

Investments – Investments in marketable securities with readily determinable fair values, and all investments in debt securities are reported at their fair values in the statements of financial position. Unrealized gains and losses are included in the statements of activities and changes in net assets.

Income Taxes – The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Management Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events – The Foundation has evaluated the effects of all subsequent events through January 12, 2015 to determine if events or transactions occurring through January 12, 2015 require potential adjustment or disclosure in the financial statements.
